P.O.W.E.R., created in 1986 and incorporated in 1989, is the leading environmental sustainability organization in Halton Hills. We created the award winning Future Forests program that has involved thousands of Halton Hills students and residents in reforestation projects. P.O.W.E.R. had representation at the Earth Summit and the World Summit on Sustainable Development and is leading on the United Nations Decade on BioDiversity . Members of P.O.W.E.R. started Wastewise.
